Dear Parent/Guardian:

In preparation for this school year's mandated state spring testing, the staff and administrators of Riverside have chosen to administer the ACT tests rather than the SAT tests. Because the majority of post-secondary academic institutions in Oklahoma require the ACT as an element for application for admission, it would be in the best interest of our students to have this test.

Additionally, we are opting to provide the test in a paper/pencil form rather than online as the actual test for college or university will be given in paper/pencil form. As do you, we attempt to prepare our students in any area to encourage success after high school graduation.

We would like to provide you the opportunity to input your opinion on this decision, ACT rather than SAT. The means to communicate with us will be listed below with myself as the original contact. Please feel free to contact me at your convenience with any questions or concerns.

Thank you,

Sharon K. Sadongei
