

Blackboard Instructions

Students: Blackboard will serve as a road map for Odysseyware. It will tell you what needs to be accomplished for each class in Odysseyware weekly as well as provide recorded instructional videos from your teachers over all lessons in Odysseyware. You should login to Blackboard daily to check what needs to be done in Odysseyware to stay on track as well as get additional support through the instructional videos. To login into Blackboard follow the following steps:

Step 1) Go to riversideis.blackboard.com

Step 2) Type in your username and password. It is the same username and password as Odysseyware. If you try multiple times and can't get logged in, please call 405-247-8011 for assistance.

Step 3) It will default to the Activity Stream page that will show you what content your teachers have added to your courses. To access your courses and content, click on the courses tab in the grey area on the left side of the screen. This will take you to a screen that shows your courses that you are enrolled in for the 1st semester which are the same as Odysseyware.

Step 4) Click On any course to see a week to choose from.

Step 5) Click on the appropriate week and you will be able to see the tasks that should be done in Odysseyware in the Lesson Overview/Introduction and the instructional videos which are under the Lesson Materials. Please call 405-247-8011 for any assistance you may need or questions.
